Subject: Refinancing with The Mortgage Company

Steve,

I just wanted to drop you and Denise a note and say thanks for the help in my "tricky" refinancing. Timing by the parties on my side was horrible at best but you guys worked round the clock to keep me both as a client and to the terms we agreed upon.

It is this extra special attention that spreads like a California wildfire. I'll be sure to throw you guys out there whenever I can.

Great job and thanks again!

Best Regards,

John Gagge
