

To whom it may concern,

We recently purchased a new home and used The Mortgage Company and Steve Stelzma for our new mortgage. We greatly appreciated the time and explanation given to us throughout the buying process. Steve helped us find the best deal to enable us to buy our dream home. We look forward to talking with Steve again for all future financial needs. We also recommend The Mortgage Company with many high regards. Thank you for all of your help.

Sincerely,
Derek and Amy Gabeler
