

December 4, 2006

I am a long-time listener of the Bobby Gunther-Walsh show in the morning on WAEB in Allentown. I've heard his ad for the Mortgage Company and realized that Bobby wouldn't endorse anything he didn't truly trust himself.

My husband and I were having financial difficulties and decided to send an email to Steve Stelzman at the Mortgage Company although not quite confident that he would even be able to help us.

I was contacted that day by Krista Benko-Roman who spoke with me for about 20 minutes getting basic information and explaining what they might be able to do to help us.

Steve came to *our house* on a SUNDAY to go over our options. He was so personable and down-to-earth, we immediately felt comfortable that he wasn't trying to pull one over on us.

Well, long story short, not only did The Mortgage Company help us, they assisted in all we needed to close, got us to closing by the date we wanted AND got us a BETTER RATE than our Credit Union!

We would highly recommend The Mortgage Company to anyone even considering a refinance or new mortgage as they have saved us over \$600 per month!

Sincerely,
