Hi Steve! As you already know,
we were very happy with all your help!
Gladly will send a note of our experience
with you folks...

We were so completely happy with
our refinance experience with the Mortgage
Company that we recommended Steve and
his office team to our daughter & Son-in-law.
Steve made all aspects of our refi timely
and understandable and came through with
the figures he quoted us. Plus, he walked us
through the entire process... no surprises.
It was actually ~~as pleasant as~~ pleasant
doing business with a mortgage "Broker"
imagine that! And we will continue to
recommend the Mortgage company to our
friends & family. Thanks Steve!

Sincerely,
Tom and Debbie
