Steve :

First let me apologize for the time lapse in getting this back to you..

I had first heard of the Mortgage Company on BGW's show on WAEB. I believe Bobby takes his endorsements very seriously so when he spoke highly of your firm, that meant a lot. From our first meeting I was very impressed with you and your staff in terms of both knowledge and your low-key approach. It was truly hassle free. When I provided the initial particulars you responded with a package that provided the approximate amount of cash out I was thinking about even before we discussed those details. When the initial loan avenues were blocked due to the "newness" of my self-employment, you were quick to respond with alternate methods using Holly only as the primary.

In speaking with friends during this process, I did encounter people who had used the Mortgage Company in the past and I always received positive comments about their experiences as well.

Finally, having Krista as a neighbor and her willingness to shuttle documents helped make the process that much easier. Thank you to her as well.

I would not hesitate to recommend the Mortgage Company to anyone needing this type of service.

Hope you all have a good summer and a successful year.

Craig & Holly Prescott
