To Whom it may concern:

Regarding our

experience with Steve Stelzner and The Mortgage Company in Allentown, PA. We came to The Mortgage Company by way of a friend's recommendation and are happy to say our friend was right on. Mr. Stelzner and his staff were professional, courteous and pleasant. The office is beautiful as well.

We couldn't be happier with the product Mr. Stelzner arranged for us or with the service. I would not hesitate to recommend him and his company to our friends.

Sincerely,

Jennifer and Kevin
