Thank you so much for all your hard work + dedication to helping us get set up with our VA loan to buy a foreclosure home. Thank you! It cannot have been easy with all the red tape that just the words VA + foreclosure bring, but then we had to go + put them together, making it doubly hard.

You both were wonderful to work with + we have already recommended you to people when we hear of someone wanting a mortgage. If we ever need another mortgage, we will definitely call you!

We really appreciate how you helped us be able to keep our old home as a rental + still get the new mortgage. Everything is working just the way or all planned it. Thank you again!

Sincerely

Guy + Deena Schneider
