

Dear Steve,

Thank you so much for all of your help with the purchase of my new home. The entire process can be very confusing and overwhelming without the right help, but I didn't have to worry about any of that because of you and your team at The Mortgage Company. Everyone was very friendly and helpful from beginning to end and it just made my transition that much more enjoyable.

Thanks again for all of your help and I will be telling everyone to go to The Mortgage Company for all of their mortgage needs!

Sincerely,

Shawna L. Vogel
