

20<sup>th</sup> June 2006

Dear Steve,

Thank you for the part that you played in the recent purchase of our home. We truly appreciated your commitment to 'making it work' when it didn't seem that we would be able to guarantee the sale of our previous house.

Thank you too for accommodating our schedules so consistently. There are few people who would agree to sign paperwork on a Saturday evening without giving it a second thought. You went the extra mile for us—thank you!

Yours truly,

*David & Esther Zimmerman*
